considers it a rare privilege to reproduce the original heretofor unpublished manuscript of the ANCESTRY OF JOHN ATWOOD compiled by Benjamin Shurtleff from family records; discussions with individuals of many generations ago written down by his great grandfather, Benjamin Shurtleff 1774 - 1847 for the purpose of preserving data otherwise unobtainable; and from the diligent research done by his great uncle, Dr. Nathaniel Bradstreet Shurtleff who, in 1857, published vol. 8 of the RECORDS OF THE COLONY OF NEW PLYMOUTH IN NEW ENGLAND consisting of the miscellaneous records 1633 - 1689.

This committee, in order to present Benjamin Shurtleffs' manuscript as he has written it, has not added or deleted material except for clarification and as has been indicated. In another section of this book, we have abstracted pertinent information from his DESCENDANTS OF WILLIAM SHURTLEFF OF PLYMOUTH AND MARSHFIELD, MASSACHUSETTS published in 1912 which relate directly to this manuscript. The book JOHN SHAW OF PLYMOUTH, MASSACHUSETTS ,reproduced earlier by this committee and also from an original manuscript, should be consulted for Shaw references.

We are grateful that we have had the opportunity to complete the work begun many years ago by a dedicated American genealogist. Just as Mr. Shurtleff gave his notes to Mrs. Drake many years ago that they might be printed and made available for further research, so you, our reader, who might have additional information, might wish to contact Mrs. Drake so that these records may be completed to this generation and that new research might be added and - or - corrections made

from a letter written by Benjamin Shurtleff to Mrs. Drake in April 1950 indicating the sources for the information contained in this manuscript:

" ..... Unfortunately there are many records wanting around the old files. I have tried to locate graves of Mary Morey's ancestors. I looked in a book of Burial Hill, Plymouth which contains a list of all the burials there but found nothing. I also looked in the vital records of Plympton and Carver with the same result, altough these two latter places were much too modern.

On another sheet I have copied the grave stones of my great grandparents Benjamin Shurtleff and his wife Abigail Atwood who are buried in the old burying grouhd in what is now Carver, Mass. and called the Lakenham Burying Ground. They are buried in sort of a large square lot the Shurtleff lot and close to it is the large Atwood lot where my Abigails father and mother, Lieut. Nathaniel Atwood and Abigail are buried and his father and mother Deacon Nathaniel Atwood and wife Mary are buried. The vital records of Carver printed in 1911 verify these dates. In fact these vital records were compiled from my copies which I made of all the Grave Yards - Carver but of course they copied the town records themselves. Abigail Atwoods son, Dr. Benjamin Shurtleff was my great grandfather and died in 1847, so of course I never saw him.

He became interested in Genealogical research and while he resided in Boston had not much time for it but would drive home to his mother and talk with her about old times, who this one was, where did so and so go, and what became of this that and the other one. She was his source of information and don't you believe she knew who her grandmother was, altough the grandmother died before Abigail was born. It was really Dr. Benjamins son Dr. Nathaniel who had all these scraps of paper with little memoranda on it. Nothing was in any shape or form except in a few cases. His records showed Mary Morey to be the wife of this Atwood. These records were finally burned but not until years after I had obtained everything therein. It is said that from Mary Morey the Atwoods took their gray hair. It is unfortunate that no marriage records of her can be found. The Atwood family was a fine family and one of quite prominence in the old world. I am descended from the Shaw family also which I thought were some pumpkins but afterwards found out that the Atwoods were far superior, and I had thought it the other way about ..... Oh, I believe I even looked in the probate records at Plymouth in fact I about wore out all the records in Plymouth of every description while writing my SHURTLEFF GENEALOGY. I even spent winters down in Plymouth County year after year while compiling records. I can now look back and wonder how on earth I ever did it. Well life at 84 and in the twenties is very different. I enjoyed it and made many friends and glad too that I have done it. .....

Very Sincerely,
Yours,
Benj. Shurtleff
